**THE STATE OF NEW HAMPSHIRE**

---

To the Inhabitants of the Town of Woodstock, in the County of Grafton in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town House in said Woodstock, on Tuesday, the 13th day of March next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see if the Town will authorize the Selectmen to hire such sums of money as may be necessary to defray expenses in anticipation of taxes.
4. To see if a discount of 3% will be allowed on taxes paid on or before the first of September or a later date to be set by the Selectmen and if the sum of twenty cents shall be added to each poll tax not paid on or before September 15th.
5. To see if the Town will vote to accept the budget as posted.
6. To see if the Town will vote to allow the Selectmen to sell Property taken on tax titles.

To transact any other business that may legally come before this meeting.

WALLACE BERG  
SHERWOOD AVERY

## MOOSILAUKE LIBRARY REPORT

---

It gives me great pleasure to make the annual report of the Library. The number of patrons who made use of the Library was 2,660 and the number of books and magazines taken out was 5,449.

We would like to thank Mrs. Norman Fadden for her gift of New Hampshire Profiles magazines. We would also like to thank the Quest Club for a three-year subscription to Outdoor Life magazine. We would like to thank Mrs. Altha Gay for the book "The Chord of Steel", and Mr and Mrs George Ladeau for several American Heritage books. Also, we would like to thank Mr. and Mrs. Karl Benner and Mr. and Mrs. Robert Beach for their gifts of several books to the Library.

Two books were added to the Memorial Shelf: "First-Hand Report" given by Mrs. Emily Avery in memory of Shirley Avery. "Wildflowers of North America" was given in memory of Mrs. Fred Boothe by her daughters, Mrs. Marian Burns, Mrs. Elise Harbert and Mrs. Marjorie Wilson. Several books have been given in memory of Miss Edith Brewster.

## **PUBLIC HEALTH AND SCHOOL NURSING SERVICES**

**Lincoln — Woodstock area**

**Dec. 31st, 1960 — Dec. 31, 1961**

---

Total number of home visits made in the Lincoln-Woodstock area were 1,250. Of this number 600 were to medical and chronic cases, 39 to prenatal cases, 25 to new mothers, 20 to pre-school children, 51 to infants and children up to 2 years of age. Crippled Children's Services, 29. Unclassified visits; i.e. those not taken under care, Welfare etc., 318.

Conferences with State and County department workers, 25. Nurse's workshops and meetings attended, 6.

Adults attending Chest Clinic, 2. Adults having chest x-rays, 4. This program is carried on through the T. B. Association and State Health Department. Pre-school children to Orthopedic Clinic, 2. Pre-school children to Hitchcock Clinic for diagnostic purposes, 1.

School visits made to all schools in the area totaled 210.

Physical examinations were given to the pupils of grades 2, 4 and 6 of the Lincoln Elementary School by Dr. John Dooley. 89 of the High School pupils were checked by Dr. Clayton Stenberg.

Nurses examinations were carried out on 312 pupils. This consisting of Heights, Weights, Vision testing and general inspection. The Audiometer was used when deemed necessary. Five trips were made to the Optometrists. Pupils attending Orthopedic Clinic, 2. Pupils to Chest Clinic, 1. Pupils having chest x-ray, 1.

The Heve Test for the detection of Tuberculosis was given on age groups of 6 and 13 years, namely grades 1 and 8 in both Lincoln and North Woodstock schools. The High School Seniors were also included. Several

teachers and the Cafeteria personel took this test. The test was given by Dr. William Prince, Director of Communicable Disease Control, N. H. Department of Health, assisted by State nurse, Loretta Russell and the local nurse.

The services of a Dental Hygienist were obtained through the Bureau of Dental Health. This service consists of cleaning teeth and three applications of Fluorine treatments, the latter being an agent which helps prevent tooth decay. This was carried out in the first five grades of the No. Woodstock school. The same program is now being set up for the pre-school children of both towns.

Instructions on Home Care of the Sick were given to the High School Home Economics Class. This class also has had instructions on applying the Ace Bandage.

The Christmas Project was aided substantially by funds from the Salvation Army, the Elks and Emblem Club of Littleton, donations from friends and the High School students. As a result of this kindness, toys, food and clothing were bought and given out.

At this time I would like to thank all who helped on this project and for their cooperation during the year.

Respectfully submitted,

NORA E. PARENT, R. N.

*Visiting Nurse*

## AN APPEAL FROM YOUR FOREST FIRE WARDEN

In these days of constantly rising taxes and wages, any unnecessary expense is an added burden on everyone's pocketbook — yours and mine. Forest fires cost money and damage our valuable woodlands. Lightning sets some forest fires, but we have no control of lightning. Children cause many fires. Ninety-eight percent of our forest fires result from human carelessness — our carelessness. This, we — you — and I can do something about.

When we require you to obtain a permit for out-of-doors burning or forbid you to burn on days of high fire danger or set up or set up regulations — hours, etc., governing the use of the town dump we are simply protecting yours and the town's interests.

The ever present threat of forest fires is the concern of all of us; the responsibility for preventing them is ours and the costs of extinguishing are ours. We can do something about this problem, by being aware of and alert to the danger and by cooperating with your warden.

Do the things that are required of you —

1. Follow the warden's directions.
  2. Secure the required burning permit.
  3. Keep your fires under control.
  4. Completely extinguish your fires before leaving them.
  5. See that your children are properly cautioned.
- Everyone will benefit by it.

## NURSE'S REPORT

### WOODSTOCK SCHOOL DISTRICT — 1961

---

Visits to school—93                      General Inspections—80  
Nurses examinations consisting of heights, weights,  
vision and teeth were carried out on all pupils.  
Vision corrections—4  
Tonsil corrections—3  
Impetigo cases during year—8  
Measles—12  
Chicken Pox—13  
Mumps—5  
Trench Mouth—1  
Crab Lice—1

Three children were transported to the optometrist.

The Heve test, sometimes called the Ster-Needle test for the detection of tuberculosis, was given to age groups 6 years and 13 years, namely Grade I and Grade VIII. Six teachers took the test also.

From the results of this testing Chest X-rays were recommended. The results of the X-rays were all negative.

This test was carried out by Dr. William Prince, Director of Communicable Disease Control of the N. H. Health Department, assisted by State Nurse, Loretta Russell, and the local nurse.

This year a Dental Hygienist was obtained through the Bureau of Dental Health Services. This service consists of cleaning the teeth and three applications of fluorine. To date this was carried out on the first five grades.

Plans have been made for this service for the pre-school children of Lincoln and Woodstock.

Respectfully submitted,

NORA E. PARENT, R. N.

## SUPERINTENDENT'S REPORT

---

Hereby submitted is my annual report as Superintendent of Schools.

The Woodstock school began the 1961-62 year with only one change in the teaching staff. Mrs. Nanci Micklon resigned in the Spring and was replaced by Miss Gladys Bayley, a teacher with many years experience in Massachusetts and New Hampshire. I feel she is doing an excellent job with the Third grade she teaches. In other respects, the teaching assignments remain the same as the previous year. We have a group of dedicated teachers who under the leadership of Mr. Beaudin are doing a good piece of work in the guiding and teaching of youngsters. I have had comments favorable and unfavorable on the kind of a Physical Education program that is trying to be run at the school. I can assure you that I think Mr. Beaudin is doing an excellent job in this area and I feel that all your children are benefiting from it. You can be assured that if I felt too much time was being spent on this and it was not worthwhile, it would be curtailed.

At the present time we are well supplied with up-to-date textbooks and materials but I plan to recommend the replacement of our Language series after another year. This series was adopted six years ago and revised editions of this and others are superior. We are maintaining essentially the same testing program with Achievement tests being given in the Fall and Spring, Readiness tests for the First grade and Mental Ability tests to the First, Third, Fifth and Seventh grades about midway through the year.

I wish to thank the district for appropriating money so we could do more with the music program. Some of the teachers received part of it to do extra work in this field and the remainder of it has gone for new books and rhythm band instruments. I have heard favorable comments on what has been done with music. Also we have a number of pianos in school, some of them are in very poor condition. If there is

anyone in the district who has a piano to donate or one to sell, we would be interested.

It has been gratifying to assess the results of the Milk and Hot Lunch Program. Although we are very limited for space, both are very popular. Teachers have mentioned already that the children who participate seem to be more alert and less fatigued in the afternoon. At a recent meeting we discussed the possibility of adopting a Federal approved program for next year. We are going to be handicapped in the beginning because of equipment and space but I think it is better to start it under these conditions than not start it at all and improve as we go along. I am sure that the school board would want me to thank all of those people who are donating labor and food to make the present program a success.

Repairs and replacements at the school this year should be minor. We are asking in the regular budget for new curtains in part of the rooms and aside from some repairs recommended by the State Fire Marshall's office, there should not be too much to do. I wish at some future date the district might consider erecting some type of a combination activities room and lunch room on the foundation which is already available near the school. Even though it could not all be done in one year, it might be practical to extend the construction over several years from the unexpended balance in the annual appropriation. This, I think, justifies some thought.

I am not sure at this writing what the status is of the talks concerning a joint school for Woodstock and Lincoln. I wish I knew what the best solution is for the district but your local committee is giving this a great deal of thought and in all probability will arrive at a wise solution.

Respectfully submitted,

M. WAYNE BOWIE

*Superintendent of Schools*

### EXPLANATION OF SUPERINTENDENT'S SALARY

Section 5, Chapter 243, Laws of 1953 of the State of New Hampshire, requires that school district annual reports show the total amount paid to the superintendent of schools as per the following quotation: "Reports. Each superintendent of a supervisory union shall annually prepare a report showing the total salary paid to the superintendent, which report shall show in detail the amount derived from the per capita tax and the amount paid directly by each school district in the union."

One-half of the supervisory union expenses is prorated among the several school districts of the union on the basis of adjusted valuation. One-half is prorated on the basis of average daily membership in the school for the previous school year ending June 30th. The Superintendent of Supervisory Union No. 48 during 1960-1961 received a salary of \$8,050 which was made up as follows: \$3,750 paid from per capita tax and \$4,300 prorated among the several school districts. Allowance of \$1,200 for travel within the union was also prorated as stated above.

The table below shows the portion of salary and travel charged to each school district.

	Salary	Travel
Campton	\$ 797.65	\$ 222.60
Dorchester	30.10	8.40
Plymouth	1,636.15	456.60
Rumney	612.75	171.00
Thornton	399.90	111.60
Wentworth	191.35	53.40
<b>Woodstock</b>	<b>632.10</b>	<b>176.40</b>
	<hr/>	
	\$ 4,300.00	\$ 1,200.00

Superintendent's salary for 1960-61 based on the above figure is reconciled as follows: \$3,750 paid from State per capita tax plus \$4,300 paid by various districts, equals \$8,050 Superintendent's basic salary.
